& Placement Services

Empowering people to experience the full joy of living

Live Safely with Assisted Living at Home!!!

Find comfort for loved ones, patients, and clients who need assisted living services by keeping them safe at their own home with Talem Home Care.

Our expertise and robust network of access to qualified senior care advisors, physicians, nurses, therapists, and other medical professionals across Connecticut means one convenient and reliable source for all your care needs.

Services for Any Assisted Living Situation

Whether you have a loved one coming out of a hospital; a patient apprehensive about living in a facility; or a client who needs care but can't get into a residence; Talem Home Care is the ideal solution.

We offer these services and more, often at a lower cost than an assisted living facility or rehabilitation center:

- Meal preparation & medication reminders
- Personal care & bathing assistance
- Housekeeping
- Safe transportation to medical and wellness appointments
- Run essential errands (grocery shopping, banking, hair salon, etc.)
- Social & brain fitness activities

Get Peace of Mind for a Lower Price

It's comforting to know loved ones are receiving care at home where their fondest memories live, and where they can safely enjoy visitors. Unlike other care providers, Talem does not have minimum hour requirements; we accommodate an individual's specific needs for any length of time. We also offer a sliding fee scale to make home care services accessible to anyone.
